“ My deepest sympathy to the family. Marian always had a friendly smile on her face and in her voice. We would visit for a few minutes when she would make phone contacts for the Quota Club. Marian was always upbeat and a joy. You know, I never heard an unkind word from her about anyone. That is a true gift, to be so gentle and kind. One could see, Marian suffered greatly these last many years, yet one would never know the pain she was experiencing by her positive demeanor. We at Quota lost a kind, gentle, friendly, and caring woman. We have been the richer for knowing her. Marian, you will be missed.
